A

15 The Dir of I & C. has supported that Sri Nagesa Rao has applied for the grant of 6 months leave with effect from 29-6-1950 preparatory to retirement from Service.

15 The Dir of I & C. has recommended that the leave may

applied for by Sri Nagesa Rao may be refused and that Sri Nagesa Rao may be granted a further extension of service for a period of one year from 29.12.1950 on the ground that there are no experienced officers at present to take his place.

16 the recommendation of the Dir of Sce. to refuse his leave applied for by Sri Nagesa Rao and to grant a further extension of service for one year with effect from 29.12.50 is for orders and will be a Council matter.

Mly
16/6/50.

B (7) In view of the orders communicated in letter No. 2527/CB. dt 15.9.49, the question of leave does not seem to arise, and it is not clear how or why the Dir. of I & C. reads this letter to mean that Sri Nagesha Rao is entitled to Six months' leave and that he is free to avail himself of it before

the term of his extension expires.

18) Apparently Sri Nageshe Rao accepted the extension of Service granted to him, with the condition attached to it, viz. that he would have to forego all the leave at his credit. The leave to which Sri Nageshe Rao was entitled before attaining the age of Superannuation has lapsed, and it is no longer at his credit, and as it was not refused in the interests of the Public Service as required by H. S. R. he would not be entitled to it. The question has been definitely raised and clearly ordered upon in paragraphs 30, 36 and 37 of the notes in C. B Coll. No. 82-49-1 The only leave to which the officer would be entitled is the leave earned by him during the

Serial No.

period of extension. If approved, this point may be made clear to the Dir. of I & C at once — unless it is proposed to reconsider the matter.

19) The question of granting an extension of service to the Officer by another year in the interests of the Soap Factory and in view of the fact that an experienced Officer is not immediately available to succeed Sri Nagesha Rao is for Consideration.

20 This is Council matter.

21 The leave that was at the credit of Sri Nagesha Rao prior to the date of superannuation has lapsed. As may be seen from the discussions in CS file no 82-49-1, paragraphs 30, 36 and 37 it is clear that it was not refused in the interests of the public service. We cannot therefore carry forward this leave and the Dir of Ind & Com may be clearly informed of this fact He will be entitled only to the leave he earns during the period of extension.

As regards grant of extension of service, it appears necessary in the interests of the concern in the circumstances explained by the Dir and the recommendation of the Dir may have to be sanctioned specially when the next Officer is proposed to be sent abroad.

29) Having accepted the extension of service with the condition attached to it, Sri Nagesha Rao is estopped from claiming the leave now. It is seen from the connected file, however that the condition, (forfeiture of claim to leave) was imposed in terms of the Hon. Finance Minister's minute at para 16 thereof. (File No 82-49-1). According to Art 147 M.S.R. an officer retains his claim to leave if the leave already refused is applied for again during the period of extension (as in this case) and is again refused in the interests of public service. In view of this, perhaps the Hon. Minister may be inclined to reconsider his previous decision - in which case the officer will be enabled to carry forward the leave. A

Dear Sir,

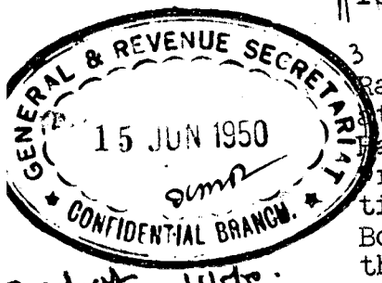
Ref: Your D.O. No.4293/C.B. dated 13th June'50.
Sub: Extension of service of Sri.M. Nagesa Rao,B.A., General Manager, Govt. Soap Factory,Bangalore.

1. Adverting to your D.O. No.1848/C.B. dated the 12th May 1950, I enclose herewith the representations dated the 29th May '50 and 24th April '50 of Sri.M. Nagesa Rao,B.A., General Manager, Government Soap Factory and wish to state as follows:-

Please look up without any delay

14/6.

2. Sri. Nagesa Rao was granted an extension of service of one year from the date of his superannuation, viz., 29-12-49 in G.O. No.2518-19/C.B. 82-49-1 dated 18-9-'49 and in the letter No.D.2527.C.B. dated 15-9-49 forwarding the order, it was specified that the leave at the credit of the officer should be utilised within the period of extension. Sri. Nagesa Rao has applied for 6 months leave which is at his credit with effect from 29-6-'50.



Received at 4.30 p.m on 16/6/50.

3. In this connection, I wish to state that Sri. Nagesa Rao is the only experienced officer working in the Factory at present, the next in order of seniority being Sri.H.G. Ramakrishna Reddy, B.Sc.,(Hons), who was appointed as Probationer in June'46, and who is still awaiting confirmation. In the recent allocation of staff approved by the Board of Management of Industrial Concerns in respect of the Sanctioned Establishment of the Govt. Soap Factory as per Pay Commission's proposals, (vide Proceedings of the Board Meeting held on 19th May'50), Sri.H.G. Ramakrishna Reddy has been allocated against the post of Chief Chemist and Works Manager on his own grade of pay, viz., Rs.200-20-450 as personal to him. Though the work of Sri. Reddy during his period of probation has been satisfactory, he has yet to pick up some more experience of Factory working and business management before he can be placed in independent charge of the Factory. Further, at a meeting held by the Hon'ble Minister for Finance and Industries on 2-6-50, to consider the selection of persons for Foreign ~~Technical~~ Industrial Training, it was considered that:

> " As the General Manager of the Government Soap Factory has reached the age of superannuation and is under extension, it was decided that one should be sent abroad immediately for further training in Soap manufacture in Foreign countries. It was felt that this step should have been taken even earlier."

As Government are aware, the expansion proposals of the Factory are under the consideration of Government and considering the long delay that has occurred already, it is necessary to take early action in this respect, and

p.t.o.

I consider that it will be best to continue to have the services of an experienced officer like Sri. M. Nagesa Rao, for one more year for the Factory. I recommend, therefore, that he may be granted a further extension of service of one year with effect from 29-12-1950. I may mention that the subject was discussed with the Hon'ble Minister for Finance and Industries and he has agreed to consider the recommendation.

I request you to kindly obtain early orders of Government for rejecting the leave of 6 months applied for by the officer and extending his services by one year, on the same terms as at present.

Yours sincerely,,

Secretary to Government,

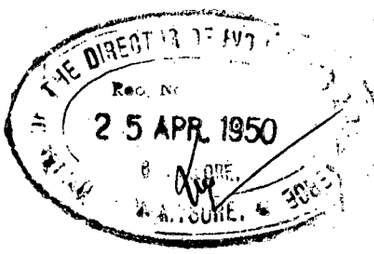
GOVERNMENT SOAP FACTORY.

No. 421
Enc 3.

Bangalore,
Dated, 24th April, 1950.

Submitted to the Director of Industries &
Commerce in Mysore,
Bangalore.



I beg to state that in the usual course I should have retired on the 29th ~~September~~ December, 1949. In April, 1949, I applied for 6 months' combined leave prior to the date of retirement. The Then Director of Industries & Commerce, however, was pleased to recommend my case to Government in his letter No.277-78, dated, the 8th May, 1949 that my application for 6 months' combined leave may be refused and that I may be granted a year's extension from 30-12-'49 in view of the circumstances explained by him.

Government graciously granted me a year's extension vide G.O.No.2518-19/C.B.82-49-1, dated, the 15th September, 1949 but at the same time they stated in letter No.2527/C.B. dated 15th September, 1949 that "if the officer avails himself of the extension, then the leave to his credit lapses and he cannot get all the leave to his credit at the present time after the period of extension".

In this connection, I beg to state that during my long period of more than 32 years service, I have taken Privilege and Furlough leave only on a couple of occasions and that on grounds of severe illness or equally cogent reasons and only for a part of the period for which I had a claim. To be deprived of the period of leave that has accrued to me at the close of my service and which I have been looking forward to for several years is a very great hardship especially to me who is not entitled to a pension but has to be satisfied with a meagre provident fund amount. I beg to state that Section 147, M.S.R. provides the grant of combined leave for cases similar to mine.

I therefore request you, Sir, kindly to consider my

my case sympathetically and obtain sanction of Government to grant me 6 months' combined leave after the period of my extension expires i.e. 29th December,1950 or in the alternative to grant me 6 months' leave from the 30th June 1950 i.e. 6 months ~~prior~~ prior to the date of ~~my superannuation~~ the expiry of my extension.

I enclose herewith for Director's ready reference the following.-

Letter No.277-78 dated 18-5-1949.	)	Director's reference to Government to refuse my leave and grant me an extension.
Govt. Order No.2518-19/ C.B.82-49-1 dated 15-9-49.	)	Granting me extension.

Bangalore,
Dated the 29th May 1950.

D.O. No. 1143

Sir,

Subj:- Leave prior to my retirement.

In continuation of my submission Note No. 421 d/ 24.4.50, requesting that I may be permitted to go on combined leave of 6 months from 1st July 1950 prior to the date of my retirement which falls on 29th December 1950 or alternately to grant me 6 months leave after ~~xhax~~ the date of my retirement, I beg to state that I feel it my duty in the interest of the factory to place before you the following facts.

In the natural course, when I retire I have to hand over the charge of the factory to my next Assistant Sri. H. G. RamaKrishna Reddy. B.Sc.. Industrial Probationer. who is now working in the Government Soap Factory. Sri. H.G.Ramakrishna Reddy was taken as a Probationer and joined duty in the Govt. Soap Factory on 26-12-1946, ~~I~~ He completed his period of 2 years probation on 25-12-1948. Thus he has to-date put in a service of nearly 3½ years out of which he has actually worked in the Factory for a period of about 2½ years the balance period of 1 year in the middle in the Board of Industrial Concerns (a few days) the Mysore Iron & Steel Works, Bhadravathi (mostly) and the Department of Industries & Commerce (a few days). Sri. H. G. Ramakrishna Reddy, is, I beg to state, a capable and intelligent officer. but still, I am afraid that he has not had enough experience to run a factory quite independently. I feel that a couple of years more experience is necessary before he could be placed in independent charge of the factory. As the Director is aware, Government are seriously contemplating the expansion of the Factory and the factory has already taken possession of the new site in the Industrial Suburb at Yeswantpur, ~~xaxxaxsx~~ which is a part of the expansion Scheme. The Director has also been contemplating sending Sri. H. G. Rama-

Ramakrishna Reddy, to various Soap Factories in India so that he may gain extra knowledge of other Soap Factories. also.

Further, I learn from Sri. Ramakrishna Reddy, himself that he is arranging to go to foreign countries by about December of this year to work in some soap factory there for about a year so that he may gain further knowledge and study the modern technique of Soap manufacture and allied subjects of Perfumery and Cosmetics. I have felt it my duty to acquaint these particulars regarding my successor (in the natural course) in view of the fact that a sufficientyly experienced person will have to take my place when I retire Permit me to assure you, Sir, that I am not doing this simply with a view to get a further extension for myself though I shall not be averse to continue in service, if I am granted a further extension [redacted]

I remain,
ours Respectfully,

To

Sri. E.V. Ganapati Iyer, B.Sc.,
Director of Industries & Commerce
